We are a full-service, multi-department pet store in the heart of Nebraska. We provide the best pet care available and our trained staff assist to make sure your pet is happy that we are here to serve.

See our entire product selection online • Prices are Subject to Change • Call for volume pricing.
We are pet owners, too
Each member of our staff, in every department, has personal experience in the care of dogs, cats and other pets. We understand how important your pet is to you because we’re all pet owners too. Our veterinarians provide continuing education to sales staff and work closely with a review team of product specialists to ensure that we offer only the best pet health care products and pet supplies.

Lambert Vet Supply (LVS) is Celebrating our 25th Year!
Established in 1994 with a twofold mission: First to provide pet owners with quality pet supplies, pet medications and veterinary supplies at competitive prices; Second, to provide the best customer care in the industry starting with friendly, experienced sales people committed to making Lambert Vet Supply your lifetime source for pet advice and products for the health and wellbeing of your pets.

We will earn your trust
Our pet pharmacy is located in our Kansas location. State licensed pharmacists and pharmacy techs review each prescription and order for accuracy. We were one of the first accredited pharmacies in America and supply only the same exact meds your vet sells to you. At every step of the way, when you place your trust in Lambert Vet Supply, we work hard to earn it.

We are proud to have earned the respect and trust of pet owners and companion animal businesses who know they can count on us to have the pet supplies, pet medications and pet health care products they need while providing them with friendly, efficient service.

We know you have many choices when it comes to pet supplies and we thank you for shopping with Lambert Vet Supply.

We are growing and expanding
By staying true to our company mission, we’ve expanded from our company headquarters in Fairbury, Nebraska, to include locations in Belleville, Kansas, and Neosho, Missouri. In addition to our website, we offer personalized route delivery service of pet foods and pet supplies to Kansas, Missouri, Oklahoma and Arkansas. Call us if you are interested in this service for details.

**IMPORTANT NOTICE!**

Federal law requires that your order for any of all prescription drugs be accompanied by your veterinarian’s original prescription which shows the quantity of drugs ordered. The number of times the prescription can be refilled. Species of animal the prescription is for, the veterinarian’s address and phone number, orders from licensed veterinarians must include their state license number. A prescription must be transmitted to the pharmacy by the prescribing veterinarian only as prescription drugs are non-refillable. Non-refilling Federal (U.S.A.) animals the use of Rx drugs by or in the order of a licensed veterinarian.

016BAY-11342 136 mg x 5 tablets (for dogs) ............ 44.99 ea

Wormers Praziquantel

Praziquantel, is often used to treat tapeworms caused by fleas. Praziquantel dissolves the tapeworm inside the intestines. It is important to note that only praziquantel will treat tapeworms from fleas. Products like Safe-Guard® will remove tapeworms in dogs which came from eating an infected, dead animal but will not eliminate flea-born tapeworms. Bayer® produces a non-prescription treatment containing praziquantel that may be suitable for removal of common tapeworms in some cases.

### Enzymatic Rawhide Chews

**Look Alike? Well in our opinion you would be nuts to not buy the Clenz-a-dent® Brand with Savings over C.E.T.® Brand. Some folks like to buy only name brand and are willing to pay 50% more for the same item but it is our duty to point out the savings when available.**

**Clenz-a-dent® Rawhide Dental Chews**

- Recommended to help keep teeth clean & freshen breath between trips to the vet.
- Enzyme-coated long-lasting rawhide chews break down the biofilm on your dog’s teeth & gums.
- Chewing rawhide chews helps insure your dog’s mouth stays healthy for longer stretches of time.

**When your dog chews, the abrasion strips away plaque & tartar while preventing plaque & tartar from returning. Great tasting poultry flavor your dog will love.**

**Directions for oral use:** give up to one chew per day, preferably after meal.

Please note new packaging will be available soon and will vary from what is shown.

Nutramax® Laboratories offers only the highest quality joint supplements to help your dog, cat or horse live the best life possible.

- Natural & effective long-term joint support.
- Only joint health supplement brand shown effective, safe & bioavailable in published, controlled U.S. studies.
- Cosequin®, the original researched brand has been supporting joint health for 20 plus years.
- Cosequin® offers a formula targeted for every degree of animal activity.

Published studies have shown the trademarked ingredients in Cosequin® work together to help maintain the cartilage structure while inhibiting enzymes that break down cartilage to enhance a dog’s mobility & quality of life.

Source: Among retail brands. Survey conducted among small animal veterinarians who recommended oral joint health supplements.

#### Probios® Pro-Pill Pods™ by Vets Plus, Inc. (with Probiotics for dogs)

- Makes administering pills safe, reliable & stress-free.
- Includes no added sugars, artificial colors or flavors.
- Uses real peanut butter or chicken for canine taste appeal.
- Fits most tablets & capsules (sizes for small dogs or large dogs).
- Veterinarian recommended.

#### Pet Pilling Aids—Pill Holes, Pods & Pockets

**EZ-Med® Pill Holes (for dogs)**

- Pill Holes are the easy way to give your dog small pills, tablets or capsules.
- There’s no better or more convenient way to get your dog to accept your veterinarian’s recommended medications than with Pill Holes.
- No mess, no stress & dogs love the chicken liver, natural bacon & hickory taste!
